# TILLERS

Gardening is meant to be a relaxing experience. That's why Columbia tillers run smoothly while still delivering power to cut through the toughest roots and the hardest surfaces. That way, you get fresh, fertile soil that's ready for whatever you want to grow.

## 455 Rear Tine

- 13 in. dual direction tines.
- 190cc Honda® GC engine.
- Self-propelled with forward and reverse.
- 18 in. tilling width.

### TILLER ENGINES

Our tiller engines produce superior torque, and reduced emissions for increased productivity and fuel efficiency.

### SINGLE HAND OPERATION

Our unique handle designs allow you to walk beside the tilling path for the ultimate in maneuverability and a ready-to-plant seedbed.

### 13" DUAL-DIRECTION, SELF-SHARPENING TINES

Provide fine cultivating and seedbed preparation, plus superior ground breaking in hard-packed soil. You can turn the hardest earth into fertile soil.

### TILLING WIDTH

An extra-wide 24 in. tilling width covers more ground per pass and an ample 6" tiling depth will leave your garden ripe for planting.

### PLANT PROTECTION DISCS

Garden with peace of mind knowing that your hard work is protected from the tiller tines when cultivating.

## 39M Tiller

- 208cc Powermore® OHV engine
- Adjustable 13"/22"/24" tilling width
- 12" heat treated steel tines
- Forward rotating tines with power reverse
